

## BEGINNERS IDIOM PRACTICE 4

Directions: Use any appropriate idiom in the correct form.

to do over	to keep out	to pass out
to turn off	right away	all day
to get back	to hurry up	to slow down
to show up	to get on/off	to look at
on purpose	out of order	to hand in/turn in
to make up	to turn on/off	to put on/take off
to take care of	to change your mind	to look up

I had an awful day yesterday! I had to get to the Wilsons' house by 8:00 to \_\_\_\_\_ their son Max while they took Mrs. Wilson's sister to the airport. First, I \_\_\_\_\_ the wrong bus. I got there by 8:30, so I had to \_\_\_\_\_ a story (which I don't think they believed) in order to excuse myself.

I started babysitting, but little Max was a monster! He knows that he can't go into the bathroom by himself, but he did anyway and threw the toilet paper inside the toilet. Then he \_\_\_\_\_ his father's clothes and ripped Mr. Wilson's favorite tie. He ate so much chocolate ice cream that he felt sick and \_\_\_\_\_. I had to call 911 immediately.

The Wilsons finally \_\_\_\_\_ from the airport. They were very upset to see their child sick. They told me to leave \_\_\_\_\_ and never to come back.

When I got home, the elevator was \_\_\_\_\_, so I was in it for two hours while they fixed it. The next day, I woke up with a headache and went to bed with it. I had a headache \_\_\_\_\_. I've decided I will never babysit ever again!
